

# FSSG - Fail Safe Safety Guard

Best Elevator Door Monitor

**FSSG Safety Package (FSP) – No More Elevator Run with Open Door/s**

To prevent elevator run with open door(s), the FSP enhance existing elevator safety to a new level by utilizing an easy and swift implementation method.

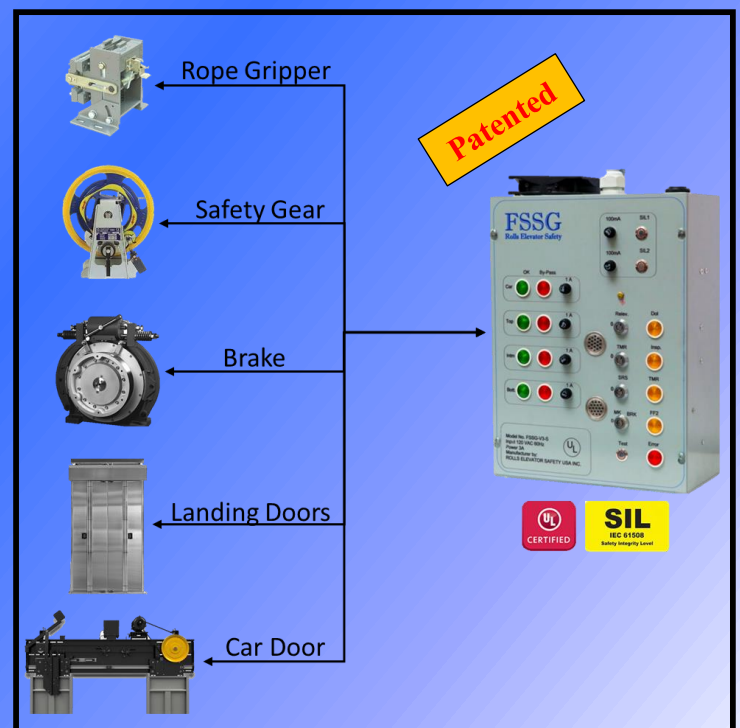

The FSP ensures that **NO MATTER** what the cause is, the elevator will never leave the floor with open door(s).

## The FSP Monitors:

- Landing door locks
- Car gate switch
- Brake failure
- Rope gripper or other safety gear

## More advantages:

- Swift & Easy installation
- Adoptable to all types of elevators
- No controller modification
- No controller re-writing
